*A biannual extreme wellness event highlighting the top integrative doctors and wellness-oriented companies in NYC.*

*“Having worked with Alex Lubarsky I speak from my heart when I say he is a genuine soul who cares about the people he works with and for. Besides his caring heart he also creates and prepares his events with skill and wisdom with the desire to offer something to those who attend.” - **Bernie Siegel, MD** bestselling author of 12 books including *The Art of Healing: Uncovering Your Inner Wisdom and Potential for Self-Healing**
